## About Me

- Originally from Italy, I'm a hard-working and adaptable team player who takes pride in doing things well — whether it's keeping things clean, helping customers, or supporting coworkers. I'm curious and optimistic by nature. I love learning new skills and exploring new ideas. I thrive in dynamic environments where I can contribute to a team and make a positive impact.

## Employment & Volunteer History

- 2006 – 2010 **Waiter.** Country Festival, Treviso, Italy. Provided fast, friendly service in a busy outdoor festival environment. Took orders, served food, and kept tables clean and organized. Worked closely with the team to ensure smooth daily operations
- 2018 **Data Scientist.** Internship at DBA Group, Treviso, Italy
- 2022 – 2024 **PostDoc Researcher.** UIB - Palma, Spain. Developed strong organizational and problem-solving skills managing complex research projects in a team environment
- 2025 – present **Partnerships Lead.** Data for Good - Vancouver, Canada. Coordinated teams and client relationships; adapted quickly to varied tasks in dynamic settings
